General Geology Extra Credit Opportunity

Take a Hike!

If you complete the following task and hand it in by class time Dec. 2\textsuperscript{nd}, you will receive 5 points added to your Exam II grade.

You need to.....well, take a hike! Go somewhere over the Thanksgiving Holiday that is either a state or local park, take a couple of pictures and some notes on the geology of the area. Then write up a paragraph, include the pictures (one of which must have you in it) and tell me about the geology and what you thought about the place. You may turn in a hard copy at the start of class Dec 2\textsuperscript{nd} or email me your report with pictures no later than 11:00am Dec 2\textsuperscript{nd}—remember all email has a time and date stamp.

Have fun!
