PARKING AND TRANSPORTATION

Parking at M.I.T. and on the streets around it is often rather difficult. We are making every effort to provide space on Friday, April 29, but cannot guarantee it in advance. A policeman will be stationed beside the parking garage off Vassar Street (Building 70 on the enclosed map) to assist you in finding space. Please give or show him the bottom half of this page in asking for directions. Those who can conveniently use the subway or Massachusetts Avenue bus are encouraged to do so on Friday. Parking on Saturday morning should present no serious problems.

Chartered buses will be provided for transportation from the Faculty Club to the Gardner Museum on Friday evening. On their return the buses will pass through Copley Square, the Back Bay, M.I.T. and Harvard Square.
