Notre Dame
International School

Rome, Italy
DEDICATION...

To Brother Loyola Christoph, C.S.C., Headmaster, whose tireless efforts and industry has been so evident in the new Notre Dame International School, from the first blue-prints to the final realization of this modern school, we, the students, do dedicate this yearbook, the first in the history of the school. To one who from the very beginning of Notre Dame International School has worked and planned unselfishly for our benefit, we are deeply grateful. It is certain, indeed, that when we return to our various countries throughout the world, we will long remember Brother Loyola and the Notre Dame International School.
