

The Mynah Bird

(four part round with pickup at the end of the fourth line)

Singers should sharp the C at the end of "Picardy" ad libitum. Jim Propp-Gubin

my - nah bird saw a may - jah bird perched in a near - by tree, and the
song she heard from that may - jah bird was as sweet as sweet could be. His
ma - jor thirds and her mi - nor thirds made per - fect har - mo - ny
so they flew a-way on that ve-ry day to the shores of Pi-car - dy. A
